

2020 Year Recap and A Look Towards 2021

2020 Was Historic

This year we started 100% distance learning with every student and teacher on their Chromebook with Google Meets, Penguin Playlists, Schoology, and many moments of doing brand new things. Moments of frustration, hilarity, patience, and yes mundane. Some went hybrid and wore masks and distanced inside the school. We adapted to changes again and again. We smiled at each other through the uncertainty. We kept each other sane in the unknown. We were **"TOGETHER OR APART ALWAYS A PENGUIN AT HEART"**.
